

Providing banking services to UK farmers through dedicated specialist agriculture teams

- Direct Contact** We give you our phone numbers so you can speak to us directly
- Specialist teams** We have 42 rurally based teams across the UK with 150 specialist staff dedicated to supporting our farmer customers
- Local to you** You can come and see us in your local branch or we can visit your farm at a time to suit you

We like to think that's why over 650 farmers moved their accounts to Lloyds TSB Agriculture in 2009
